ArtemArc **Break Through the Job Hunt Madness**

Crack the Code on Landing Post-Graduation Jobs and College Internships

Job Search Summer Course: June 16 - August 11, 2025

- **The Problem:** The job market is crowded and too many college students/graduates hit a wall in their job search. Some end up in wrong roles. Others can't get in the door at all.
- **What We Do:** We close the gaps between academics and real-world recruiting. We teach you to craft attention-grabbing narratives/materials, skillfully network, confidently ace interviews, and more.
- **Who We Teach:** College Sophomores, Juniors, Seniors, and recent Graduates across Finance, Engineering, Marketing, Liberal Arts, Data Science/CompSci, and more — we can help you.
- **What We Offfer:** An 8-week course combining interactive webinars and bespoke 1:1 sessions with experts who hire. You'll learn real-world strategies and tactics to stand out against other applicants.
- **Why Trust Us:** Prag Shah (CEO, COO, Harvard MBA) and Doug Burris (HR Executive, Recruiter) are seasoned executives each with 25+ years of experience hiring across numerous functions/industries.

> ***"Without question, ArtemArc represents an exceptional investment that will continue to yield returns throughout our son's career."***
